TAGGING OF ITEMS

Discipline is very key in our bid to mould a chaste intellect. In view of this, parents and guardians are enjoined to comply with hostel rules and regulations. We know you believe in our ability to mould these intellects, we thereby enjoin you to fully commit them to our care, as getting back to them through illegal means would always result to distractions.

CONTRABANDS

Please be mindful that we are going to have a study trip by next Saturday. For that reason, we require your signature and permission for your children by the Friday before.

TAGGING OF ITEMS

All intellects in the hostel must tag their belongings especially clothing items such as school uniforms, sport wear, hostel wear, jummat wear, socks, beddings, water bottle, tie, buckets, etc. This is to avoid mixing and missing of items. The tagging should not be abbreviated and should neatly be done in a visible place.

PHONE CALLS

We implore parents/guardians to adhere strictly to this call time. However, parents/guardians might be allowed to speak with their wards outside these stipulated hours in emergency cases.

Calls on other days of the week should be directed to the Admin section of the school.

RESUMPTION

The school resumes for 2022/2023 academic session on 19th September, 2022. All the intellects in the hostel are expected to resume on Sunday 18th September, 2022. We pray Allah grant our intellects safe trip back home and a fruitful and eventful third term break. May He ease our affairs and crown our efforts with resounding success, make the children coolness of our eyes and spare our lives beyond resumption upon goodness and righteousness. Ameen.
